

Cele mai bune locuri din Kyoto cu privelisti de sarbatoarea ciresilor.

Maruyama-koen-Park

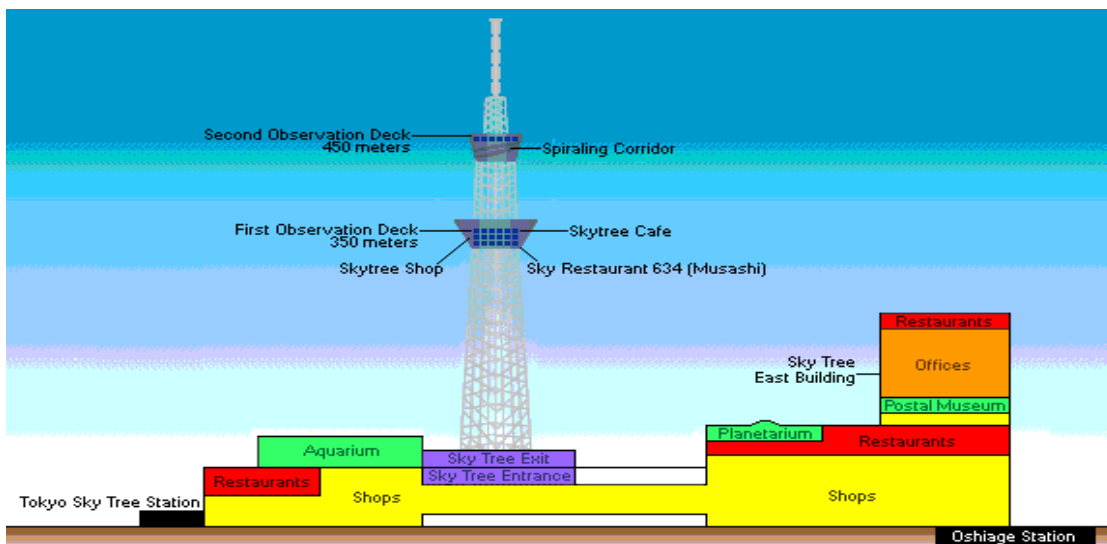

The Path of Philosophy (Tetsugaku-no Michi). Allea are doar ciresi de amândoua partile si o sa-ti ofere o priveliste superba. In timpul zilei o sa vezi multi turisti care uneori se mai înghesuie de aceea si mai bine ar fi daca ai vizita locul seara (copacii sunt iluminati si seara si mai ales în partea de nord a strazii în apropiere de Ginkakuji Temple).

Kyoto Gosho (Parcul Palatului Imperial). Parcul este plin de ciresi înfloriti . Highlights sunt ciresii plângatori (se numesc shidare-zakura) în partea de nord a parculuiun pic la sud de Imadegawa-dori, între Karasuma si Kawaramachi.

Râul Kamo-gawa. Ambele parti ale râului sunt sadite cu copaci ciresi. În partea de nord a Imadegawa-dori se gasesc ciresii mai înalti si de obicei ei sunt cei care înfloresc primii.
